

DOC Population Statistics

Average Daily Population for October 2010 through September 2016

Average Daily Inmate Population is presented by DC Department of Corrections facility type for October 2010 through September 2016. The inmate population shows a downward trend for the period of October 2010 through May 2015, with slight seasonal variation resulting in a drop of over 1600 inmates. However, since June 2015 there has been a slight increase in the population of about 300 inmates. Those charged with assault, parole or release violation, US District Court commitments, and robbery or burglary accounted for approximately 55% of the incarcerated as of September 30, 2016.
