

DOC Population Statistics

Average Daily Population for October 2015 through June 2020

Average Daily Inmate Population is presented by DC Department of Corrections by facility type from October 2015 through June 2020. The inmate population shows a decline in the jail population from over 1790 in March 2020 to fewer than 1300 in June 2020 primarily due to the DOC efforts to combat the Covid-19 pandemic, a 29.2% decrease. Those charged with assault, parole or release violation, US District Court or US Marshall's Service commitments, and robbery or burglary accounted for approximately 54.8% of the incarcerated as of June 30, 2020.
