(2) The term "volunteer" means a person who donates his or her services to a specific program or department of the District of Columbia government, by his or her free choice and without payment for the services rendered. The reimbursement of the actual expenditures by a volunteer on behalf of the District of Columbia government shall not make that person an employee of the District of Columbia for the purposes of this section.

(3) The term "agencies, departments, commissions, and instrumentalities of the District of Columbia" means all governmental instrumentalities and bodies of the District of Columbia government, except the Superior Court of the District of Columbia and the District of Columbia Court of Appeals.

The Volunteer Services Act of 1977, Title 6, Chapter 35, states as follows:

4000. UTILIZATION OF VOLUNTARY SERVICES.

4000.1 For the purposes of this section, the following terms have the meaning ascribed:

Agency -- Any governmental instrumentality or body of the District Government, except the Superior Court of the District of Columbia and the District of Columbia Court of Appeals.

Employee -- A person who is paid by the District Government from grant or appropriated funds for his or her services.

Volunteer -- A person who donates his or her services to a specific program or department of the District Government, by his or her free choice and without payment for the services rendered, except that reimbursement for actual expenditures by a volunteer on behalf of the District Government shall not make that person an employee for the purposes of this section.

4000.2 Agencies of the District of Columbia are authorized to accept and utilize the services of persons on a voluntary basis in accordance with the provisions of D.C. Law 2-12 (D.C. Code, §§ 1-304-308, 1981 ed.) and the provisions of this section.

4000.3 Volunteers may be utilized to perform services for any purpose which is in the

interests of the government, except where specifically provided otherwise by this section, any rule or regulation, or the laws of the District of Columbia.

4000.4 No volunteer shall fill an authorized position or be utilized to perform any function or service which is currently being performed by an employee of the District of Columbia, provided that volunteers may be utilized to perform the following:

- (d) The duties assigned to a regular employee on a temporary basis during periods of heavy workload or to assist in relieving an existing backlog of work.

4000.5 Volunteers may be used only to enhance District functions by contributing a service which would not otherwise be available. Therefore, normal recruitment, employment, and internal placement activities will not be affected by the use of volunteers.

4000.5 In no case shall the utilization of voluntary services or the availability of voluntary services be used as the basis for a reduction in force. The availability of voluntary services may be considered as a factor in determining the allocation of limited resources.

4000.6 The standards of conduct prescribed for employees of the District of Columbia shall be applicable to all volunteers.

4000.7 The services of a person on a voluntary basis shall not be accepted or utilized where such services or the use of such services would constitute a conflict of interest or could reasonably give rise to the appearance of a conflict of interest, as set forth in § 4 of D.C. 4000.8 Except as provided in subsection 4000.9 below, persons whose services are utilized on a voluntary basis shall not be eligible for any benefits normally accruing to employees of the District of Columbia, including health insurance, retirement, life insurance, leave, or the right to organize for collective bargaining purposes, unless such benefits are specifically provided by the laws of the District of Columbia.

4000.9 Persons whose services are utilized on a voluntary basis are eligible for compensation for work-related injuries to the extent authorized by Section 2301(a)(2) of

D.C. Law 2-139, except that, in cases of organizations which supply volunteers to perform services for the District of Columbia also provide disability or workers' compensation for such volunteers, in which event the coverage provided by such organizations would be applicable.

4000.10 Persons whose services are utilized on a voluntary basis shall be considered employees of the District of Columbia for the purposes of liability for tortious injuries caused by the volunteer while acting within the scope of duty under the supervision and control of the District of Columbia.

4000.13 The decision by an agency official to discontinue the utilization of the voluntary services of any person shall not be considered an adverse action and shall not give rise to any right or process of appeal.

4000.14 Each volunteer shall be assigned to an employee of the agency utilizing the volunteer's services, who shall be responsible for assignment of duties; supervision and control of the activities of the volunteer; evaluation of performance; and establishment and monitoring of the hours during which voluntary services are performed, if appropriate.

4000.18 Although physical examinations shall not ordinarily be required, the agency head or designated supervisor may require a physical examination where voluntary services involve the handling of food or participating in activities which may be strenuous or potentially hazardous.

4000.19 Any volunteer whose services are utilized to perform duties which would

ordinarily require that the person be licensed in a trade or craft under the laws of the District of Columbia shall be required to have or obtain the required license(s) prior to the performance of voluntary services.

4000.20 No offer of voluntary services by any person shall be unlawfully rejected on the basis of race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, physical handicap, source of income, place of residence or business, or any other basis of unlawful discrimination under the laws of the District of Columbia.

4000.21 The Director of Personnel shall establish guidelines for the acceptance and utilization of voluntary services in the agency, including guidelines for the deployment and supervision of volunteers pursuant to the provisions of this section. Agency heads may supplement such guidelines when appropriate.

4000.22 The residency requirements contained in chapter 3 of these regulations shall not apply to volunteers under this section.

4000.23 No agency head, supervisor, or other employee of the District of Columbia shall be authorized to limit, waive, amend, or otherwise modify the restrictions and requirements on the use of voluntary services set forth in this section without the approval of the Director of Personnel.
