1. PURPOSE AND SCOPE. To provide administrative procedures through which inmates of the District of Columbia Department of Corrections (DOC) may seek resolution of complaints. The DOC encourages an inmate to express his/her concerns to staff through respectful, constructive, written, or oral communication so that problems are resolved as soon as possible.

2. POLICY

   a. It is DOC policy to provide administrative means for expression and resolution of inmate issues and complaints through informal resolution. Many matters can and should be resolved directly and promptly between the inmate and authorized institutional staff and resolution shall be the primary goal.

   b. The Inmate Grievance System is intended to deal with a wide range of issues, procedures, or events that may be of concern to an inmate. It is not meant to address incidents of an urgent or emergency nature including allegations of sexual abuse.

   c. When faced with an incident of an urgent or emergency nature, the inmate shall contact the nearest staff member for immediate assistance.

   d. An inmate is encouraged to attempt resolution of a concern informally by use of the Informal Resolution Complaint Form, completing an Inmate Request to staff or direct conversation with the Case Manager or Officer-in-Charge prior to submitting a Formal Inmate Grievance. This is not required in cases of allegations of physical or sexual abuse.

   e. If informal resolution does not provide a successful solution for the complaint or in the event of an emergency grievance, inmates may use the formal grievance process.

   f. The grievance process has at least one level for appeal.

   g. All complaints and grievances shall be considered and resolved in a fair and impartial manner.
h. Grievances are considered legal correspondence. Staff shall not open or inspect a sealed envelope that is labeled “Grievance” and addressed to the Grievance Coordinator, Warden or any Deputy Directors of the DC DOC.

i. DOC employees, contractors, interns and volunteers shall not retaliate or allow one inmate to retaliate against another inmate for the good faith use of, or participation in, the inmate grievance process.

3. APPLICABILITY

a. This directive applies to DOC Central Detention Facility (CDF) and the Correctional Treatment Facility (CTF) that houses or provides services to inmates under the care and custody of the DOC.

4. NOTICE OF NON-DISCRIMINATION. In accordance with the D.C. Human Rights Act of 1977, as amended, D.C. Code §2-1401.01 et seq., (Act) the District of Columbia does not discriminate on the basis of race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, matriculation, political affiliation, genetic information, disability, source of income, status as a victim of an intrafamily offense, or place of residence or business. Sexual harassment is a form of sex discrimination that is also prohibited by the Act. Discrimination in violation of the Act will not be tolerated. Violators will be subject to disciplinary action.

5. PROGRAM OBJECTIVES. The expected results of this program are:

a. The inmate grievance procedures shall be available to inmates regardless of any disciplinary, classification, or other administrative or legal conditions affecting them.

b. Open lines of communication will identify, prevent and resolve matters thereby reducing the need for inmate complaints and grievances.
c. Inmate grievances will be resolved through formal procedures when informal means have failed.

d. Written responses based upon investigation and resolution when appropriate, including the reasons for the decision, shall be given to all inmate complaints and grievances within the prescribed time limits.

e. Inmates will use this procedure and pursue claims in court only if dissatisfied with resolutions obtained from the IGP.
