Change Notice: Video Visitation Center
New Visitation Policy for
D.C. Department of Corrections (DCDOC)
Effective Immediately

New Policy

One adult and up to two minor children (under the age of 18) may now enter the video visitation room to visit.

Additional minor children may be rotated in during the forty-five (45) minute visitation period as long as they are supervised by an adult while in the waiting area.

Note: At all times, minor children entering the Video Visitation Center must be supervised by an adult.
